North Woods & Pleasant Valley Alumni: please join us in a weekend of reminiscing and enjoying the simple things in life. Bring your families, friends, self and stay here at Camp again.

Let your loved ones get a taste for what you experienced here in your youth. Share your memories and experiences with old Camp friends and meet new friends from the past and present Campers and Staff.

As it is hard to keep track of everyone over the years, please pass this event on to alumni that you keep in touch with to ensure that we don't miss anyone.
